BIRLA INDUSTRIAL & TECHNOLOGICAL MUSEUM
(A unit of National Council of Science Museums)
Ministry of Culture, Govt. of India

Dated :

Dear Madam/Sir,

Ref : Educational Tour of School Students to BITM

It is my privilege to bring to your kind notice that the Birla Industrial & Technological Museum (BITM) in Kolkata, the first science museum in the country under the National Council of Science Museums (NCSM), Ministry of Culture, Govt. of India, is engaged in popularizing and promoting science especially among the youth through various science galleries, educational programmes and activities throughout the year.

As you are aware, BITM facilities are especially designed to augment the learning curves of the students not only on curricular concepts in basic physics, chemistry, mathematics, biology, astronomy, electricity, electronics etc., but also on current topics of interest in science & technology and related social issues. We also offer a number of very educative and exciting science shows for organized groups.

For the benefit of primary students coming from schools, we are providing a special discounted package programme (details annexed) besides subsidized transport and food facility.

I request you kindly to facilitate visit of your school children to BITM on a regular basis so as to allow them opportunities to learn and benefit from BITM's educational services

Kind regards,

E. Islam

Director

Birla Industrial & Technological Museum

Encl: Details of 'Special Package Programme' for visit to BITM.

Canteen facilities available

The museum remains open from 10:00 am to 5:30 pm every day except on Holi and Diwali.
